**Tuesday, March 4, 2008**  
**5:00 pm**  
**Vista Conference Room**

**Attendance: Crystal Jushka, Tim Kroll, Daniel Repka, Josh Vandebusch, Sheila Schroeder, Nick Vlies**

**I. Information/Discussion Items**

**a. Hours of Operation**

- i. Committee members had discussed with other students and the general consensus was to bring back the all you can eat brunch on Sundays (which is happening after Spring Break!). Members still like the idea of breakfast for lunch as well as for more dining options to be open an extra hour later for dinner and Friday afternoons. Crystal did remind the committee that Fraschetta's and Ultimate Baja will stay open through the afternoon when they do open. Daniel noted that he was told that the salad bar stays open through the afternoon, but he checked one day, and it was put away at 2 pm. The committee seems content with taking these ideas into consideration when making suggestions for hours of operations.**

**b. Room Naming**

- i. The committee could not come up with any good names at the top of their heads and they felt that what was thought of last year didn't cover all that it needed to. Crystal threw out some old room names (Niagara Rooms, Timber Lounge, World Unity Rooms) and pointed out which rooms definitely needed names. The committee wants to ask senators just for some name ideas, not their opinions on the rooms that get named. Crystal is working with Senate to get it on the agenda for the next Senate meeting. She is making sure that it is clear to senators that we are just looking for some ideas, not discussion, since that is up to the committee. The list will be helpful to the committee while naming the rooms.**

**II. Action Items**

**a. Revamped Table Tent Policy**

- i. Table tent policy was passed unanimously 5 – 0 – 0.**

**III. Open discussion for Ideas/Concerns**
