Whereas: The UWGB Student Government Association has created through referendum a Childcare Establishment Fund by Senate Bill of April 23, 2014, for the purpose of “provid(ing) financial assistance in the establishment of a child care facility or child care service...”

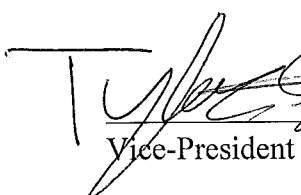

Whereas: The Segregated Fee Allocation for this fund has been approved by SUFAC and shall begin collecting funds derived from Student Fees during FY 2015-16.

Whereas: Student Government Association members have become active stakeholders in the Campus’s Childcare Alliance of Students, Faculty and Staff, and wish to further support this group’s cause.

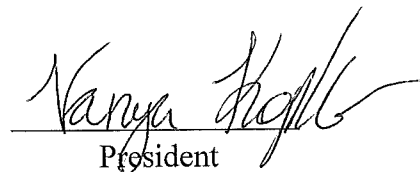

Whereas: The primary hurdle to forward progress of the Childcare Alliance rests upon the creation of a Business Plan that can be taken to University Leadership.

Whereas: The Childcare Alliance has established a relationship with a consultancy firm capable of providing such a business plan and requires funding therefor.

Therefore: Be it resolved that the Student Government Association authorizes its fund officers to utilize the Sustainability Fund to provide necessary payment to <Consultant> for the aforementioned Business Plan. The total of fees expended for this purpose shall be reimbursed to Sustainability Fund by the Childcare Establishment Fund as soon as the balance in this fund permits.
