b. Chapter 17 Resolution – SGA President Seubert

Joel Diny: Move to make it an action item. Seconded; question was called. The motion to make Chapter 17 Resolution an immediate action item passed.

Bob Kranzusch: Is it possible that this is more of a problem for UW?

Sara Duginske: I have experience at UWM and the police really have the problem under control. I do not think this resolution is necessary at all.

Michael Seleskie: I think that schools should be more in tune to deal with drunkenness in their own area.

Brendan Hladilek: Is the housing you were talking about owned privately or by the university?

Privately owned land—i.e. they go to a landlord

Josh Vandebusch: Negative actions by students reflect the school and that might be why they would like to do this.

Trista Seubert: It should be more of a school issue and not a state wide rule. The big thing is there maybe other ways to solve the problem and use resources that benefit the particular school.

The question was called by Joel Diny; seconded. The resolution passed 13-0-1.

c. Election Calendar – Emily Krambs

Emily Krambs went over the calendar the Justices made for the election dates and what they will be doing.
