

Parking

ON CAMPUS

#CommuterLife

*Studio Arts Parking Lot must be used for registered overnight guests

**Campus Ct. Parking Lot is reserved for 15 minute, handicap, and visitor parking

***Housing Lots are for on campus residents but may be utilized by daytime commuters when needed

Students use an online process to purchase permits and provide vehicle information. The vehicle license plate serves as the permit. The virtual permit fee is added to the SIS account at the time the upcoming term fees are applied. Students who do not use the parking services can easily "opt-out" through their SIS account.
